## TUESDAY'S ELECTION.

Further Returns From the Contest of Ballots.

BUT VERY FEW CHANGES MADE.

The Republicans Have Carried Everything They Claimed to Have Done.

OHIO'S MAJORITY INCREASED.

State Librarian Smith Thinks That It Will Approach Two Hundred Thousand. Nineteen Congressmen Out of Twenty-One Are Surely Republican—Morton's Plurality 153,422 in New York—The Republicans Will Have a Large Majority in the Next House of Congress, and the Senate is Also Claimed by That Party—The Latest Election Returns From the Various States.

COLUMBUS, O., Nov. 8.—Chairman Dick and State Librarian Smith are at work on an estimate of the vote from county reports. Many are not yet heard from at all, and in a number of those that have reported comparison is made on the congressional ticket, instead of the state ticket. Telegrams are being sent to the county chairman for specific settlements.

State Librarian Smith says now that the Republican plurality will probably approach 200,000 closely. Chairman Dick now says that S. K. Harris is certainly elected in the Thirteenth, and A. S. McClure in the Seventh district, making the Republican strength in the next Ohio delegation 19 sure.

He does not concede the election of Sorg in the Third district, nor Layton in the Fourth; but he has a telegram from W. D. Davis, the Republican candidate in the Fourth district, in which he claims his election. The Democrats can not have more than two, and possibly no members, of the next Ohio delegation in congress.

Chairman Dick of the state Republican committee estimates the plurality of Taylor, Republican, for secretary of state, at 133,910, and concedes the election of Democratic congressman in the Third and Fourth districts.

### CALIFORNIA.

The Democrats Have Elected Three Candidates For Governor.

SAN FRANCISCO, Nov. 8.—About one-half the entire vote of California is counted and the result indicates that James H. Budd, Democrat, candidate for governor, has a plurality of between 6,000 and 7,000 votes. His plurality in this city will probably amount to 10,000. With the exception of supreme court justice and comptroller, sufficient returns have not been received to indicate which party has been successful with the remainder of the state ticket.

The Republicans have elected one supreme court justice, Henshaw, and the Democrats the other two, Temple and Bridgeford, the latter being elected to an unexpired term. Colgan, the Republican nominee for comptroller, is also elected by perhaps 6,000 plurality. The returns now indicate that the Republicans have elected six of the seven congressmen, Maguire, Democrat, in the Fourth district is re-elected, while there is little doubt that Caminito, present representative from the Second district; Gray in the First district and English in the Third have been defeated.

Not more than one-fourth of the vote in the First district has been counted, but Barham, Republican, continues to gain. It is probable that the successful congressional candidates will be: First district, Barham, Republican; Second, Johnson, Republican; Third, Hilburn, Republican; Fourth, Maguire, Democrat; Fifth, Loud, Republican; Sixth, McLachlan, Republican; Seventh, Bowers, Republican.

### KENTUCKY.

Owens Still Has Some Hope of Going to Congress.

LOUISVILLE, Nov. 8.—The congressional delegation in the Fifty-fourth congress from Kentucky will be as follows:

First district—John K. Henderick, Democrat.  
Second—John D. Clardy, Democrat.  
Third—W. C. Hunter, Republican.  
Fourth—John W. Lewis, Republican.  
Fifth—Walter Evans, Republican.  
Sixth—A. S. Berry, Democrat.  
Eighth—J. B. McCreary, Democrat.  
Ninth—S. J. Pugh, Republican.  
Tenth—N. T. Hopkins, Republican.  
Eleventh—D. G. Colson, Republican.  
The Seventh district is still in doubt, though later returns indicate that Owens will have a small majority.

Berry and McCreary are the only members of the present congress who have been re-elected.

The race for judge of the court of appeals in this, the Fourth judicial district, between Toney, Democrat, and Boyle, Republican, is very close, and the official count will be necessary to decide it. Judge Toney has a majority of 25 votes, according to the latest returns. The other judges elected are T. H. Paynter, Democrat, Sixth district; B. L. D. Guffy, Republican, Second district; and John R. Grace, Democrat, First district.

The latest news from the three-cornered fight in the Eleventh district is to the effect that Stone, Democratic candidate for congress, concedes his defeat by Colson, Republican, by about 1,000 votes. Adams, who sought a re-election, was badly beaten by Colson.

### ALABAMA.

The Seat of the Next United States Senator Will Be Contested.

BIRMINGHAM, Ala., Nov. 8.—Later returns from the Ninth congressional district show that Underwood, Democrat, is elected by at least 2,000 majority. Returns from the Seventh district, the only one in Alabama where the Democrats are not sure of success, are slow and unsatisfactory, but indicate the election of M. W. Howard, Populist, over W. H. Denson, Democrat. The Democratic chairman of the district admits that the district is doubtful. There is believed to be no doubt of Howard's election, as every county in the district were for the Populist ticket in the state election.

The People's Tribune, the local Republican and Populist organ, claims the election of Howard, Populist, in the Seventh; T. H. Aldrich, Republican, in the Ninth; W. F. Aldrich, Republican, in the Fourth, and A. T. Goodwyn, Populist, in the Fifth.

The Kolbits are in high spirits over the result and it is said their convention called to meet in Montgomery next Monday will organize a legislature of their own and name a United States senator to contest for the seat of John J. Morgan, who will be re-elected by the Democratic legislature on the ground that a majority of the regular legislature was elected by fraud.

### MISSOURI.

Official Returns Necessary to Determine the True State of Affairs.

ST. LOUIS, Nov. 8.—From the latest official returns received from 35 counties in Missouri, Republican gains of 16,000 as shown, and the election of their entire state ticket by a plurality of at least 10,000 is assured. The successful candidates are: Walter A. Robinson, judge of the supreme court; John R. Kirk, state superintendent of public schools, and Joseph Flory, railroad and warehouse commissioner.

The lower house of the state legislature is Republican, but the Democrats, who have a majority in the senate, will be able to carry things on a joint ballot. Nothing definite can be learned, however, as to what their majority is until complete official returns have been received.

### KANSAS.

The Republicans Will Have a Slight Majority Over All.

TOPEKA, Nov. 8.—The Republicans have carried Kansas by a plurality of possibly 30,000, and will have a slight majority over all. Republican Chairman Leland claims also the election of the congressmen in the seven districts by pluralities or majorities as follows: First district, Case Broderick, 4,000; Second, O. L. Miller, 8,000; Third, S. S. Kirkpatrick, 1,500; Fourth, Charles Curtis, 5,000; Fifth, W. A. Calderhead, 2,777; Sixth, A. H. Ellis, 300; Seventh, Chester I. Long, 1,200. The figures are, however, based on estimates, and the official returns may materially change them and possibly reverse some of them. The Republicans will elect 90 representatives out of a possible 125, giving them a majority of 45 on joint ballot. Incomplete returns make further estimates impossible.

### SOUTH CAROLINA.

Alliance-Democrats and Free Silver Men Elected to Congress.

COLUMBIA, S. C., Nov. 8.—The congressional legislation will be made up as follows: First district, Elliott; Second, Talbert, re-elected; Third, Latimer, re-elected; Fourth, Wilson; Fifth, Strait, re-elected; Sixth, McLaurin, re-elected; Seventh, Stokes.

Of these six are Alliance-Democrats and favor free silver, but will vote with the Democrats on reorganization. Elliott is an old line Democrat.

Later returns from this state show that the total vote was little over 6,000. Evans, the regular Democratic candidate, is elected by 20,000 majority over Pope, the Independent candidate. The constitutional convention was decided upon by a majority of 8,000.

### INDIANA.

A Solid Republican Delegation Elected to Congress.

INDIANAPOLIS, Nov. 8.—Indiana elects a solid Republican delegation to congress as follows: First district, J. A. Hemenway; Second, A. M. Hardy; Third, Robert Tracewell; Fourth, James E. Watson; Fifth, Jesse Overstreet; Sixth, Henry U. Johnson; Seventh, Charles L. Henry; Eighth, George W. Faris; Ninth, J. Frank Hanley; Tenth, J. A. Hatch; Eleventh, George W. Steele; Twelfth, J. D. Heighty; Thirteenth, L. W. Royce.

Many counties have not reported in full, but the Republican plurality in the state will run between 40,000 and 50,000. In the legislature the Republican majority on joint ballot will be 33.

### ILLINOIS.

CHICAGO, Nov. 8.—The following is Illinois' delegation in the next congress: First district, J. Frank Aldrich, Republican; Second, William Lorimer, Republican; Third, Hugh Belknap, Republican; Fourth, Charles W. Woodman, Republican; Fifth, George E. White, Republican; Sixth, Edward D. Cooke, Republican; Seventh, George E. Foss, Republican; Eighth, Albert J. Hopkins, Republican; Ninth, Robert R. Hitt, Republican; Tenth, Philip S. Post, Republican; Eleventh, Walter Reeves, Republican; Twelfth, Joseph G. Cannon, Republican; Thirteenth, Vespasian Warner, Republican; Fourteenth, J. V. Graff, Republican; Fifteenth, B. F. Marsh, Republican; Sixteenth, Finis E. Downing, Democrat; Seventeenth, James A. Connolly, Republican; Eighteenth, Frederick R. Mann, Republican; Nineteenth, Benson Wood, Republican; Twentieth, Orlando

Barlow, Republican; Twenty-first, Everett J. Murphy, Republican; Twenty-second, George W. Smith, Republican.

### MISSOURI.

ST. LOUIS, Nov. 8.—As early as can be ascertained the Democrats have lost the Fourth, First, Third, Sixth, Eighth, Thirteenth, Fifteenth and Eleventh congressional districts. The Truth is always Republican. The defeated Democrats are: W. C. Ellison, C. H. Morgan, J. D. Fox, W. H. Hatch (anti-option), A. M. Dockery, D. A. Dearmon, R. F. Bland (Silver Dick) and Frederick E. Spenschied, respectively. The successful Republicans are: George A. Crowthers, C. G. Burton, John Rainey, C. N. Clark, H. G. Orton, R. E. Lewis, J. O. Hubbard and Charles F. Joy, respectively. R. M. Bartholdt, Republican, continues to hold the Tenth.

### WISCONSIN.

MILWAUKEE, Nov. 8.—Complete returns from 65 out of 70 counties in the state give a Republican plurality of 34,820. This will probably be increased by the returns to come. The Republicans control the senate by seven majority, electing 20 senators out of 24 and having four holdovers out of 19. The assembly is Republican. The Republicans gain six congressmen. They are: First district, H. A. Cooper; Second, Edward Sauerhering; Third, J. A. Babcock; Fourth, Theobald Otjen; Fifth, S. S. Barney; Sixth, A. S. Cook; Seventh, Michael Griffin; Eighth, E. S. Minor; Ninth, Alexander Stewart; Tenth, J. J. Jenkins.

### NORTH CAROLINA.

RALEIGH, Nov. 8.—The state judicial ticket is so close that it will require the official count to decide. The legislature is in doubt. The Democrats hope for it, but make no claims. The Populists and the Republican leaders are very confident. The indications are that the Fusion ticket has defeated the Democrat congressional candidates in the First, Fourth, Fifth, Seventh, Eighth and Ninth districts, making the congressional delegation stand three Democrats, two Republicans and four Populists. The Democrats, however, are still claiming the Seventh, Eighth and Ninth districts.

### NEBRASKA.

OMAHA, Nov. 8.—The returns on the legislature are quite incomplete, but this is little doubt that the Republica is will control it. The congressional delegation is completely Republican. The only doubt is in the Sixth, but regardless of this, the delegation is: First, Jesse Strode; Second, D. H. Mercer; Third, George D. McKeljohn; Fourth, E. J. Hanner; Fifth, W. E. Andrews; Sixth, Matt Dougherty. The vote is 10 per cent heavier than in former years. Republican state committee concedes Holcomb, Fusionist, election for governor by 2,000 plurality.

### WEST VIRGINIA.

WHEELING, Nov. 8.—Republican state committee makes the following statement: Dovenor, Republican, First district, elected to congress by 4,323 majority; Dayton, Second district, over Wilson, 2,000 majority; Huling, Republican, Third district, 3,500 majority; Miller, Republican, Fourth district, 2,000 majority. This makes the state Republican on popular vote upwards of 13,000. Both branches of the legislature are Republican by a majority of 27, insuring the election of a Republican to succeed Senator Camden in the United States senate.

### NEW YORK.

NEW YORK, Nov. 8.—The total corrected vote for governor in New York state, outside of Sullivan county, was 1,206,259, of which Morton received 667,585; Hill, 514,163; Wheeler, 24,511. Morton's plurality, 153,422; Morton's majority, 128,911.

Returns from all except a very few missing districts show an apparent plurality in New York city for consolidation, or the greater New York, of over 36,000 in the city, while the rapid transit measure shows an apparent plurality of 82,400.

### PENNSYLVANIA.

PHILADELPHIA, Nov. 8.—Returns indicate that the Republicans have elected 28 out of the 30 congressmen in this state. Erdman, Democrat, is elected in the Ninth district by less than 2,000 majority. The result in the Eighth district is yet in doubt. Although on the face of the unofficial returns Hart, Democrat, has defeated Kirkpatrick, Republican, by a very small majority. Complete returns from all but half a dozen of the 67 counties in this state give Hastings a plurality of 233,378.

### NEVADA.

CARSON CITY, Nev., Nov. 8.—Returns are coming in very slowly. At many points the count is still in progress. From the meager returns received, the indications are that Jones, nominee of the free silver party, has been elected, and Cleveland, Republican, for governor, by from 500 to 1,000. Indications are in favor of Newlands, silver candidate for congress. His friends claim 500 majority. The silver men are claiming everything. It is impossible to tell anything about the legislature.

### SOUTH DAKOTA.

SIOUX CITY, Nov. 8.—Returns from South Dakota show that the Populists are sure of only 21 out of 124 members of the legislature. A decrease of 20 per cent in the Populist vote is shown compared with 1892. The total vote in the state is estimated at 70,000. All returns show Republican gains. Governor Sheldon places his plurality at 18,000 against 10,000 in 1892. Pickler and Gamble, Republican candidates for congress, and the entire state ticket are also elected by big pluralities.

### COLORADO.

DENVER, Nov. 8.—Returns are coming in slowly from the southern and

western counties. The latest estimates give the Republicans 15,000 to 20,000 plurality on the head of the state ticket. One hundred and forty precincts out of 167 in Arapahoe county gave McIntyre 13,597 plurality. The Republicans have 54 members of the legislature, Populists and Democrats 43, and three are doubtful. Democratic vote in the state is estimated at 7,000, and the Prohibitionists less.

### OKLAHOMA.

GUTHRIE, O. T., Nov. 8.—Returns from the major portion of the territory make it positive that Flynn, Republican, delegate to congress, will have fully 5,000 majority. The territorial legislature will be very close, with the balance of power in both houses in the hands of the Populists. Canadian county, which has heretofore been Democratic, returned Republican pluralities for every office. Other counties also show Republican gains.

### WYOMING.

CHEYENNE, Wyo., Nov. 8.—Returns from 11 counties show 8,000 plurality for Frank W. Mondell, Republican, for congress, over Henry A. Coffeen, Democrat, and S. E. Sealy, Populist. William Richards, Republican, elected governor by 2,500 plurality, defeating Lewis C. Sealy, Populist, and Hilliday, Democrat. Republicans will have a majority in the legislature, insuring the election of two Republican senators.

### MISSISSIPPI.

JACKSON, Miss., Nov. 8.—The Democrats have carried every district in the state. The congressmen elected are: First district, J. W. Allen; Second, J. C. Kyle; Third, T. C. Catchings; Fourth, H. D. Money; Fifth, J. S. Williams; Sixth, William Denny; Seventh, J. C. Spencer. The Populists polled a surprisingly large vote in the Sixth district, and Denny, Democrat, pulled through by the skin of his teeth.

### MASSACHUSETTS.

BOSTON, Nov. 8.—Returns from all but two cities and towns in the state give Greenhalge, Republican, 193,242; Russell, Democrat, 128,436, a Republican gain of 32,109. In this city Russell's plurality of 9,315 in 1893 was cut to 3,112. The legislature will be made up as follows: House, 120 Republicans, 28 Democrats; senate, 28 Republicans, 4 Democrats.

### MICHIGAN.

DETROIT, Nov. 8.—The latest returns received by The Free Press show that of the two state senators elected Tuesday both are Republicans. Of the 100 members of the house all are Republicans save one, John Donovan of the Bay county district. Many districts who had not returned Republican legislators for a quarter of a century elected Republicans.

### WASHINGTON.

SEATTLE, Wash., Nov. 8.—Returns from over one-half the state of Washington show that the Republican plurality will be more than 15,000. The legislature is Republican in both branches, and on joint ballot by at least 25. Both Republican congressmen, W. H. Doolittle and S. C. Herde, are elected.

### ARKANSAS.

LITTLE ROCK, Nov. 8.—The Democrats have elected their six congressmen from this state by majorities ranging from 1,000 to 5,000, as follows: First district, P. D. McCulloch; Second, J. S. Little; Third, Thomas C. McKee; Fourth, W. L. Terry; Fifth, H. A. Dinsmore; Sixth, Robert Neill.

### NORTH DAKOTA.

FARGO, N. D., Nov. 8.—Congressman Johnson, Republican, elected by an increased majority over Muir, Fusion, and Reeve, Independent Democrat. Allin, Republican, elected governor by a majority over Kintor, Democrat, and Wallace, Populist. Republican majority about 7,000.

### UTAH.

SALT LAKE CITY, Nov. 8.—About 90 per cent of the returns from the territory are received, and give Cannon, Republican, for delegate to congress, a majority of 2,125. The delegates to the constitutional convention will stand about 66 Republicans to 41 Democrats.

### MARYLAND.

BALTIMORE, Nov. 8.—The Republican state committee announce that in addition to the Third and Fourth congressional districts they will also contest the election of J. W. Miles in the First district on the ground of bribery and repeating all along the eastern shore.

### NEW HAMPSHIRE.

CONCORD, N. H., Nov. 8.—Returns from 236 out of 284 cities and towns in New Hampshire give Busiel, Republican, a plurality over Kent, Democrat, of 12,404. The same ratio of Republican gain in the -wns yet to be heard from will give Busiel over 14,000 plurality.

### MINNESOTA.

ST. PAUL, Nov. 8.—Minnesota sends a solid Republican delegation to Washington as follows: First, J. A. Tawney; Second, J. T. McCreary; Third, J. P. Heatwole; Fourth, A. R. Kiefer; Fifth, Loren Fletcher; Sixth, C. A. Towne; Seventh, F. M. Eddy.

### VIRGINIA.

RICHMOND, Nov. 8.—A private telegram from Lynchburg says that Gray is elected by 2,600 majority. Chairman Ellyson received a telegram saying the Ninth district has gone for Walker, Republican, by 700 or 800. He thinks this probably correct.

### TENNESSEE.

NASHVILLE, Nov. 8.—Official and unofficial returns show that 76 Democrats have been elected to the legislature with several counties to hear from, which gives the Democrats control in both houses and insures the election of a United States senator.

### LOUISIANA.

NEW ORLEANS, Nov. 8.—Louisiana congressional delegation is as follows: First district, Adolph Meyers; Second, Charles F. Buck; Third, Andrew Price; Fourth, Harry W. Ogden; Fifth, Charles J. Boatner; Sixth, S. M. Robertson, all Democrats.

### IOWA.

DES MOINES, Nov. 8.—Later election returns from Iowa have more than kept up the Republican record. The Republican plurality on the state ticket promises to be 90,000. The combined Prohibition and Populist vote will not exceed 40,000.

### IDaho.

BOISE CITY, Nov. 8.—The entire Republican ticket is elected by 2,000 majority, or more. The returns indicate that the legislature will be Republican. Mormon votes have been very strongly Republican.

### NEW MEXICO.

SANTA FE, N. M., Nov. 8.—Partial returns indicate the election of T. C. Cartron, Republican, for delegate. The legislature is still in doubt, the chances being favorable for a Republican majority.

### HOUSE AND SENATE.

Chairman Babcock Claims That the Republicans Will Control Both Bodies.

WASHINGTON, Nov. 8.—When Chairman Babcock of the Republican congressional committee left the Republican headquarters last night he said that the reports received during the day give the Republicans 230 of the 356 members of the house beyond peradventure, while there was a possibility of securing 27 additional members.

Mr. Babcock also stated that his information leads him to believe that there is a possibility of securing three more members from Alabama; two from Illinois, one from Iowa, Kansas, Kentucky, Nebraska and South Carolina each; three more from Minnesota, two from Ohio, two from Pennsylvania, three from Missouri, one from Arkansas, three from Louisiana and three from Texas.

If these claims are realized it will give the Republicans 257 members or a majority of 99 members. According to the claims of the Republicans, they will be able to secure the votes of at least 30 of the 44 states in case the next presidential election is thrown into the house, as they will have either the solid delegation or a majority in each of the delegations from that number of states.

### THE NEXT SENATE.

From the Latest Reports the Populists Will Have the Balance of Power.

WASHINGTON, Nov. 8.—From the latest reports of Tuesday's election the next senate will have 40 Democrats, 41 Republicans and six Populists, while the attitude of the successor to Senator Harris of Tennessee is still in doubt. In the classification, Senators Stewart and Jones of Nevada who were elected by the Republicans, but have announced their separation from that party, and Governor Tillman, who will doubtless be elected by the so-called Independent Democrats of the South Carolina legislature, are placed in the Populist column. Tillman will probably vote with the Democrats on organization, and Stewart and Jones of Nevada and Jefferson with the Republicans. This would throw the balance of power into the hands of the Populists.

The senate by states are as follows: Alabama, two Democrats. Arkansas, two Democrats. California, two Democrats. Colorado, two Republicans. Connecticut, two Republicans. Delaware, one Democrat and one Republican. Georgia, two Democrats. Florida, two Democrats. Idaho, two Republicans. Illinois, one Democrat and one Republican. Indiana, two Democrats. Iowa, two Republicans. Kansas, one Republican and one Populist.

Kentucky, two Democrats. Louisiana, two Democrats. Maine, two Republicans. Maryland, two Democrats. Massachusetts, two Republicans. Michigan, two Republicans. Minnesota, two Democrats. Mississippi, two Democrats. Missouri, two Democrats. Montana, two Republicans. Nebraska, one Republican and one Populist. Nevada, two Populists. New Hampshire, two Republicans. New Jersey, one Democrat and one Republican. New York, two Democrats. North Carolina, two Democrats. North Dakota, one Democrat and one Republican. Ohio, one Republican and one Democrat.

Oregon, two Republicans. Pennsylvania, two Republicans. Rhode Island, two Republicans. South Carolina, one Democrat and one Populist. South Dakota, one Republican and one Populist. Tennessee, one Democrat and one doubtful. Texas, two Democrats. Vermont, two Republicans. Virginia, two Democrats. Washington, two Republicans. West Virginia, one Democrat and one Republican. Wisconsin, two Democrats. Wyoming, two Republicans.

Total, 40 Democrats, 41 Republicans, six Populists and one doubtful.

Sheriff Jefferson, Surveyor Pelham and Coroner Roe are the only Democrats who received anything like the party vote. Mr. Jefferson leads the ticket, with 2,551 votes to his credit. ## **EAT APPLES.** **They are Excellent Food and Possess a Medicinal Value Also.**

The medicinal properties of the apple are regularly discussed with every fresh harvest of this delicious fruit. Its advocate this autumn is a little bolder than any of its predecessors, for he advises its eating just before going to bed. An exchange prints an interview with this radical man—a physician he is, too—and quotes him as saying that "no harm can come to even the most delicate system by the eating of ripe and juicy apples just before retiring for the night."

The doctor goes on with his estimate of the value of the apple therapeutically in the following strong way: "It is," he says, "an excellent brain food because it contains more phosphoric acid in easily digestible shape than any other vegetable known. It excites the action of the liver, promotes sound and healthy sleep, and thoroughly disinfects the mouth. This is not all. The apple agglutinates the surplus acids of the stomach, helps the kidney secretions, and prevents calculus growths, while it obviates indigestion and is one of the best preventives known of diseases of the throat."

## **100 DIGNIFIED ENTIRELY.**

How He Overdid the Thing and Brought Confusion on Himself.

"I know a man," says Mr. James W. Scott, "who recently went home from a club function at a scandalously late hour, or, if you please, at an equally scandalously early hour. He had a wholesome regard for his better half, so he entered the house very dignifiedly, hung up his hat in its proper place and mounted the stairway to his apartment with exemplary precision. He struck a match softly, lighted the gas and was exceedingly cautious about disrobing and in placing his garments in just such order that his wife should have no possible occasion to reproach him next day. Indeed he conducted himself with that nice particularity which is not infrequently born of a consciousness that too much wine has been imbibed."

"Well, when he woke up and dressed and came down stairs, his wife received him smilingly."

"I watched you carefully," said she, "and I don't know that ever before you were so dignified and orderly. I was particularly charmed by the decency with which you put away your clothing."

"Yes," said the husband proudly, "I flatter myself that I did acquire myself handsomely for a man who had been out to dinner."

"Yes, my dear," continued the wife, "but there was one thing that I could not understand. Why did you light the gas in broad daylight?"

Hart's majority in Nicholas is 325 Collins, Republican, defeated Hughes for Jailer in Nicholas, by 30 majority.

The Democrats of Brown County, O., elected their county ticket by a majority of \$594.

Mr. Hart's majority in Mason is only 142. The latest reports from the district give Judge Pugh a majority of about 750.

In the the Fifth ward, this city, only 49 straight Democratic tickets were voted and only 20 straight Republican tickets.

Russell Mann, Democrat, was defeated for County Judge in Bourbon by only 8 majority. Mr. E. P. Claybrooke, formerly of Mason, is one of the three Democratic Justices elected in Bourbon.

In Fleming the Democratic nominees for county officers were all elected except Saunders for Jailer. He was defeated by the present Jailer, Elias Collins, by over 100 majority. Hart lost the county by 27 votes. The Democratic candidates who had opposition have very small majorities, ranging from 3 to 30.

## **Beardless Physicians.**

It is an almost fatal obstacle in the building up of practice for a physician to wear a youthful face. Any doctor will corroborate that. I remember an amusing incident in my own experience after I had graduated from hospital service and put up my shingle and started practice. It was terribly slow work getting patients. I had a friend who was a medical student in my office. He was very dark complexioned, and though only 20 years old had a big black beard. A woman called at the office one day and asked to see the doctor. My student answered the summons and said that he would call me. I walked into the reception room. The patient, who was a stranger to both of us, looked at me impatiently. I had a very adolescent mustache at that time.

"I want to see the doctor," she exclaimed rather sharply. "I don't want to see a medical student. I wish to see the gentleman with the beard." To save myself the loss of that patient I had to apologize and call my student back. I was present, heard all that was said, and I was the author of the prescription given. The woman didn't know that, however, and went away perfectly satisfied. It was simply an amusing illustration of the prejudice, unjust enough, to boyish looking doctors, and incidents of that kind occur every day.—New York Sun.

## **SHOT AND CUT.**

Three Men Wounded in an Election Fight at Dover—None Badly Hurt.

Dover was the scene of a fight on election day that resulted in the wounding of three men.

The trouble was the result of too much enthusiasm and red liquor. A colored man, Andy Willett, was shot in the leg and Sam Nelson cut badly in the face and neck. W. H. McDonald, a white man, was shot in the hand and several others badly bruised.

The police seemed powerless to quell the outburst, and the Police Judges swore in six deputy marshals. Pistols and knives flourished in a lively manner.

## MANY MARRIAGES.

**The McDougale-Darnall Nuptials at the Central Presbyterian Church.**

**Ross-Cord-Stevenson-Soward-Other Happy Weddings-The Bells Ringing.**

In the early afternoon of yesterday, at the Central Presbyterian Church, Miss Anna Darnall, of this city, was wedded to Mr. Harry McDougale, of Lexington.

The church was most artistically decorated with quantities of palms and chrysanthemums, and the pews during the ceremony were filled with representatives of prominent families.

Twelve thirty o'clock was the time announced and just long enough past that hour to afford that charm which expectancy, little short of impatience, adds to an occasion of this kind, the bridal party entered the church. Following the four ushers, Messrs. Tom Darnall, brother of the bride, Will Harris, of Carlisle, Harry S. Wood and R. L. Hoeflich, came the bride and her maid of honor, Miss Scudder, of Carlisle, who were met at the altar by the groom and his brother, Mr. C. O. McDougale, of Cincinnati, who acted in the capacity of best man.

The ceremony was performed by Rev. Dr. H. M. Scudder, of Carlisle, uncle of the bride.

Miss Katherine Blatterman presided at the organ in her usual skillful style.

The bride, always the impersonation of style, was perfect in her modish gown of old rose taffeta silk with trimmings of velvet and jet, the effect of which was completed by the picture hat of velvet which she wore.

Miss Scudder was richly attired in bluetta taffeta silk with a large velvet hat of corresponding color.

Mrs. McDougale is the second daughter of Mr. and Mrs. W. C. Darnall, and is a very charming woman whose loveliness of disposition and perfect manner deservedly receive praise on every hand. Mr. McDougale is the older son of Mr. and Mrs. A. J. McDougale. He is a native of Maysville and was one of her leading young merchants until recently when he moved to Lexington to accept a situation with the well-known firm of Brower, Scott & Frazee, where by his upright character and fine business ability he has won an important position with the firm.

Mr. and Mrs. McDougale left on the L. and N. for Carlisle to attend the wedding of Mr. Ed. Ross, a young attorney of Lexington, and Mrs. Lucy Waller, who will join them on an extended trip East, after which they will be at home to their friends at No. 101, South Upper street, Lexington.

### THE CORD-ROBERTSON WEDDING.

In its account of the marriage of Mr. Rodney Cord, of Helena, and Miss Nettie Robertson, daughter of Mr. and Mrs. Solomon Robertson, of Carlisle, Thursday, November 1st, the Mercury says: "The church was beautifully decorated for the occasion, and the wedding was one of the most charming events that has ever taken place in this community. The bride was dressed in a white silk gown elaborately trimmed with point lace, while the groom wore the conventional black suit. The bride entered the church leaning on the arm of her father, while the groom accompanied the minister. The party met at the altar and very gracefully grouped for the ceremony. The wedding march was played by Mrs. J. N. Ross, and the delicate touch of the thorough musician added to the charm of the occasion. Messrs. Clifton Fisher, H. M. Potts, John Darnall and I. B. Ross acted as ushers. The bridal couple left on the 6:18 train for the groom's home in Mason County. Quite a number of beautiful wedding presents were received. We congratulate the groom on his success in winning so good a girl as Miss Nettie. She comes of a family noted for the good wives it produces, and we feel sure this will be no exception."

Mr. J. C. Stevenson, of Murphysville, and Miss Emma C. Soward will be married to-day at the home of the bride's father, Mr. Richard Soward, near Lewisburg.

Mr. Joseph B. Grigsby and Miss Maggie Dye, of Sardis, were married yesterday at the Central Hotel.

### RAINS-ORR.

The marriage of Mr. J. C. Rains, of this city, and Miss Lulu Meyer Orr, of Cincinnati, was solemnized last evening at 5 o'clock at the home of the bride's parents in North Fairmount. The groom is a member of the firm of Rains & Sons, tobacco manufacturers, and no young man in Maysville stands higher in the esteem of the community.

The bride is a daughter of Mr. and

Mrs. W. T. Orr, ex-Maysvillians, and is a charming young lady, of lovely disposition. She has many friends in this city and a warm welcome awaits her.

## A VOTE AUCTIONED OFF.

**They Didn't Do it This Way in Mason Tuesday, But Boodle Was Abundant.**

A special from West Union says: "A scene was enacted in West Union election day that vividly recalls slavery days. About 2 o'clock Robert King, a voter, alighted from a mule near the polls and was immediately surrounded by the leaders of the two great parties.

"Finally he was shoved upon a dry goods box and a man jumped to his side and asked how much he was bid for King's vote. The auctioneer commenced at \$2, the Democrat and Republican bidding alternately, until the half-frozen wretch was almost scared to death.

"A bid of \$12 from the Democrats was the highest, and was accepted, while the purchaser rushed his man to the polls and voted him. Similar scenes were enacted all day, and boodle was plenty."

The statement is made, but the BULL-TIN doesn't vouch for its truth, that the Republicans paid \$15 a vote right along at Orangeburg. The result in that precinct indicates that the Republicans were loaded down with boodle.

### "Yon Yonson."

"Yon Yonson," which appears at the Washington Opera House on Wednesday evening next, has made a great deal of money for Jacob Litt, the owner, and Gus Heege, its author and chief actor. It is now in the fifth year of its existence, and as yet shows no sign of waning popularity. As a character study it excels all recent attempts to present a new phase of our composite life. Its popularity is attested by the fact that there has always been an increase in the receipts where a return engagement has been played. Mr. Gus Heege's work has won for himself a place among the genuine comedians of the American stage. He has created a new stage character and one that will endure. "Yon Yonson" has become a standard attraction and will doubtless continue its successful career indefinitely.

A Feminine Observer Makes a Discovery That Vindicates Her Sex.

Is the chewing gum habit purely feminine?

I think not now, though the time is not so far gone when the practice was limited to children and young misses. It is different now. I base my calculation on a recent episode that occurred on a train leaving the Grand Central station.

Hardly had the cars started than the train boy made his appearance. To each person, irrespective of age or sex, a package of gum was handed. The women took the small packages with an air that betokened thorough knowledge of the contents. The men handled the foil wrapped sticks gingerly. It was evident also that they had seen them before.

One old, bearded fellow, who doubtless thought his age an apology for his actions, soon had his jaws working, and others followed his example. There were 29 men in the car, fewer women, but a generous supply of children. The women I expected would buy the sticks and divide with the children, but assuredly the habit has outgrown femininity when 16 men out of a total of 29 indulge in public in chewing gum.

On inquiry the train boy told me that the percentage of men buyers was much larger in that purely masculine retreat, the smoking car. "It's the best selling article we carry," he said, "and the men use more of it than the women."—New York Herald.

Henry Bush, engineer of No. 5.  
Simon McCarthy, fireman of No. 5.  
Browning, engineer of No. 64.  
Manning, fireman of No. 64.  
Two unknown men, either mail clerks or express messengers.

The injured are:  
Pierce, DeGrange and Lippincott, mail clerks, badly hurt, though not fatally.

The railroad officials say no passengers were hurt. The limited should arrive here at 8:45 and left for Chicago at 8:55. The cattle train carried cattle from Chicago to Baltimore for shipment to Europe. Both trains were going at the rate of 40 miles an hour and came together while rounding a curve. Neither crew had time to jump or sound a warning. The meeting place for the trains was Pine Grove, four or five miles east of the point of collision where the express should have taken siding for the freight. For some reason the engineer of the passenger train ran past the meeting place.

The express and mailcars on the limited were telescoped and reduced to kindlingwood. Only the heavy vestibules of the passenger cars saved them from a similar fate. Fully a dozen cattle cars were piled up in the wreck, killing and maiming many of the dumb brutes. DeGrange, Pierce and Lippincott were jammed between the cars and the two, as yet unknown clerks, were found dead under the debris. Bush was the oldest engineer in the employ of the Baltimore and Ohio and well known by railroaders throughout the country. Relief trains were at once sent to the scene.

### ITALIAN REPUBLICANS

A Little Bit Over Zealous in Their Election Jubilation.

CHICAGO, Nov. 8.—Two hundred Italians, members of the Italian-Republican club, contrived to make things interesting for four officers of the Desplaines Street police station early Wednesday morning. The club got out its banners and hired several bands of music and started down Halstead street to celebrate the close of election day.

They were in a state of great jubilation over the gains the Republicans had made at the polls, and many of them had been drinking. Several were armed with revolvers which they fired in the air as they marched along.

The crowds along the streets through which they passed hooted and jeered them and the Italians returned the salutations in kind. At Madison street they turned east on that thoroughfare. John Dempsey was standing on the sidewalk. He shouted: "See the Dagoes. A stalwart Italian saw Dempsey and started for him. A crowd of the marchers followed the leader and Dempsey was soon running down Madison street at the top of his speed, followed by a crowd of hooting Italians. He turned into Canal street, but at Monroe street was caught by the crowd and severely beaten. The Desplaines street patrol wagon, with Officers McWilliams and O'Day on board, came to Dempsey's rescue. They succeeded in driving back the crowd and putting Dempsey into the wagon.

The crowd then closed in about the officers, and it looked serious for them for a moment. They drew their revolvers and kept the crowd at bay by firing several shots in the air. Two other officers came to their assistance and succeeded in dispersing the crowd, 12 of whom were arrested and locked up at the Desplaines street station. There was the greatest excitement in the vicinity of Madison and Canal streets for a time. Dempsey was severely but not dangerously injured.

### The Czar's Courtesy.

ST. PETERSBURG, Nov. 8.—The czar is showing great activity in answering the many telegrams of condolence of loyalty which he receives and the impression prevails that he is trying to demonstrate the fact that he is courteous and genial and that Russia is extremely loyal. Replying to a message of sympathy and loyalty from the nobles of Moscow the czar said: "In union with you I shall find strength to fulfill the arduous duty which has devolved upon me so early and I shall devote all my power to the service of my dear country."

### Four Men Fall Forty Feet.

WASHINGTON, Nov. 8.—A scaffold on which four painters were working at 1812 I street broke yesterday, and two of the men, W. J. Thecker and James A. O'Brien, fell 40 feet to the sidewalk. Thecker, who is 26 years of age, died in 15 minutes from fracture of the skull, and O'Brien, who is 39 years old and married, can not live. The others escaped by climbing upon the roof.

### Germany May Retract.

BERLIN, Nov. 8.—The prohibition against American cattle has taken another complexion. Translations from American veterinarians, showing that infection from Texas fever is limited to certain localities, are being prepared for submission to the imperial secretary of state for foreign affairs.

### Treasury Statement.

WASHINGTON, Nov. 8.—The cash balance in the treasury yesterday was \$105,754,675, gold reserve, \$51,863,692.

## THE NEXT HOUSE.

An Estimate Gives the Republicans 245 and the Democrats 83.

WASHINGTON, Nov. 8.—The following table shows the standing of the next congress as nearly as can be computed from the latest returns. A number of districts in different states are still in doubt:

STATE.	DEM.	REP.	POP.
Alabama	8	1	1,200,000
Arkansas	6	1	1,000,000
California	1	6	2,000,000
Colorado	1	1	500,000
Connecticut	1	4	1,000,000
Delaware	1	1	200,000
Florida	2	1	1,000,000
Georgia	11	1	1,500,000
Idaho	1	1	200,000
Illinois	1	21	3,000,000
Indiana	1	13	2,000,000
Iowa	1	11	1,500,000
Kansas	1	8	1,000,000
Kentucky	5	6	1,500,000
Louisiana	6	1	1,000,000
Maine	4	4	500,000
Maryland	3	3	1,000,000
Massachusetts	1	12	1,500,000
Michigan	1	12	2,000,000
Minnesota	1	7	1,500,000
Mississippi	7	1	1,000,000
Missouri	6	9	2,000,000
Montana	1	1	200,000
Nebraska	1	6	1,000,000
Nevada	1	1	200,000
New Hampshire	1	2	500,000
New Jersey	1	7	2,000,000
New York	4	30	5,000,000
North Carolina	3	2	1,500,000
North Dakota	1	1	200,000
Ohio	2	19	3,000,000
Oregon	1	2	500,000
Pennsylvania	2	28	4,000,000
Rhode Island	1	2	500,000
South Carolina	1	1	1,000,000
South Dakota	1	2	500,000
Tennessee	6	4	1,500,000
Vermont	1	2	500,000
Virginia	8	2	1,500,000
West Virginia	1	4	500,000
Washington	1	2	500,000
Wisconsin	1	10	1,500,000
Wyoming	1	1	200,000
Total	83	245	100,000,000

Texas is not counted in the above table, as the returns are uncertain.

There is also one Republican representative from each of the territories of Oklahoma, New Mexico and Utah.

The official count may defeat Owens in the Seventh Kentucky district.

There is still doubt as to some of North Carolina's districts, but it is believed that the figures above are substantially correct. In South Carolina the delegation of the six Alliance men will vote with the Democrats on organization. In Missouri the figures are very close in two or three districts, and the official count may cause some change. In Texas the results in the seven districts are still uncertain. The Democrats have carried six districts. In five of the others the Populists are running very close, and the Republican claim two districts.

### CELEBRATED THE ELECTION.

One man Shot Twice and Another One Wounded in the Arm.

CHICAGO, Nov. 8.—State Senator John F. O'Malley broke loose yesterday with a revolver, according to complaints lodged in court, and when he got through his post-election celebration, Charles Shepard, a cabdriver, was shot in the knee joint and in the hand, and Nicholas Varis, a saloonkeeper, was shot through the fleshy part of the arm.

According to the story of Varis, Senator O'Malley drove up to the saloon in a carriage with two companions. Drinks were purchased for the party and Varis says he then asked O'Malley for payment. The senator drew a revolver and fired at the saloonkeeper. The shooting of Cabdriver Shepard occurred shortly afterward.

### The Great Water Wheels at Niagara.

The water wheels are not all of the same size. Those employed in the transmission of power to the machinery of the paper mill were, when they were put in, the largest ever made. They were capable of generating as much as 1,000 horsepower each. But they are mere pygmies in comparison with those which are to supply power to the great dynamos. Each of these has been built with the purpose of developing as much as 5,000 horsepower, which is about the power required to drive an ordinary ocean steamship from 12 to 14 knots an hour. There are to be three of these mammoth turbines, and their hand-maid, the dynamos, are sympathetically colossal in their capacity to generate electricity.—McClure's Magazine.

### Another Outrage by the Cook Gang.

FORT SMITH, Ark., Nov. 8.—Jim French and three other members of the Cook gang raped three girls in the suburbs of Oolagah, I. T., last night. After committing the fiendish crimes the bandits mounted their horses and rode off. A posse of citizens was at once organized, and started in pursuit of the brutes, but as far as heard from they failed to capture them.

## LOVE AND CASTE.

A Match Broken Off Because Money and Rank Run Afoul of Each Other.

The last London season is said to have been almost the worst on record for matchmaking. The number of engagements publicly announced is surprisingly small, and one of the most interesting, that of Lord Willoughby de Eresby, M. P., eldest son of the Earl of Ancaster, to Miss Muriel Wilson, the youngest daughter of Arthur Wilson of Tranby Croft, has been broken off for reasons unknown to the public at large. The lady's parents were the Prince of Wales' hosts at the time of the dreadful bacarat scandal. They are enormously wealthy, and their daughter is pretty and amiable, so that polite society is much worried as to the cause of the quarrel which has led to such a disastrous result. The fault is believed to rest mainly with the parents. Arthur Wilson, though a plebeian by birth and a shipowner by trade, thinks himself as good as any earl living, and he is entitled to that faith in his social standing, seeing that he has hobnobbed with princes on more than one occasion.

On the other hand, the Earl of Ancaster is not an ordinary peer. He holds the exalted post of lord great chamberlain and is the head of one of the most ancient families in this country, with a fine old fashioned contempt for upstart bourgeoisie. But polite society asks, if he didn't like the family into which his son proposed to marry, why did he consent to the match? The parties concerned invited controversy over what would ordinarily be a purely private matter by the ostentatious manner in which engagement and rupture alike have been announced.—New York Sun's London Letter.

The camel's foot is a soft cushion peculiarly well adapted to the stones and gravel over which it is constantly walking. During a single journey through the Sahara horses have worn out three sets of shoes, while the camel's feet are not even sore.

Newark, N. J., was first called Milford, from the name of a town in Connecticut. Its name was changed at the suggestion of the Rev. Abraham Pierson, an early minister in the town, who had been ordained at Newark, in England.

## Of all Fevers

the worst and most serious is Dengue or break-bone fever. Called "break-bone" because one's bones are not only racked with pain, but feel as if they were tightly held, as by a vice.

At times one feels that the pain is almost unbearable, and many are brought to Death's door by the terrible prostration which follows this grievous complaint.

All persons should know that
